Your Community Museum

The Mahone Bay Settlers Museum is dedicated to the preservation and celebration of our history, traditions and culture.

Through exhibits, programs and special events for residents and visitors of all ages, The Settlers Museum tells the stories of our community. Staff and dedicated volunteers care for artifacts and archival collections, and conduct research for exhibitions, programs and community records.

We support heritage endeavours in our community, providing information and advice about heritage resources and programs.

We are proud to be home of the Inglis/Quinlan provincial ceramics collection, and honoured to maintain and develop the Museum facility, which is a municipally registered Heritage Property.

Since 1987, The Settlers Museum has been host to thousands of visitors. With your support, we can continue to educate, entertain and delight people from across the globe.

How You Can Help

Become a Member

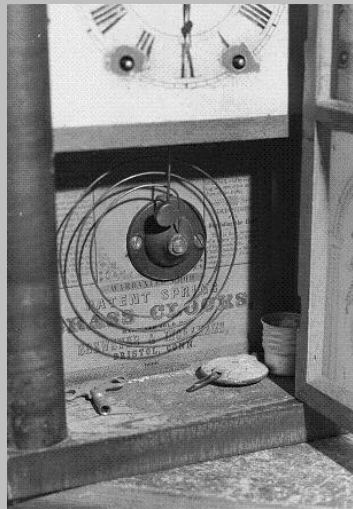

We invite you to join our team. Membership entitles you to Museum newsletters, invitations to special events and openings, and a vote at our Annual Meeting.

Make a Donation

Donations and sponsorships provide an important part of our annual revenue and enable us to develop exhibits and programs as well as preserve our collections. Through our parent organization, The Mahone Bay Founders Society, we will issue a charitable tax receipt.

Volunteer

Volunteers are the heart of the Museum. There are many opportunities to become a part of the team, whether you can give just a few, or many hours of your time. To find out more about volunteering, please contact the Museum.
